Floor Grabber High Traffic Mat Notice: Floor Grabber High Traffic Mats are formulated to work with most common industrial and commercial floor surfaces but are not intended for home/residential use and wood flooring. All adhesive mats have some potential to leave residue or lift or discolor finish coatings, paint, and loose or predamaged tiles depending on the condition and age of the floor surface. If you have questions about the suitability of Floor Grabber High Traffic Mat for your application, test a 6" x 6" piece in a noncritical area before use. Floor Grabber High Traffic Mats should be replaced if they become saturated or show signs of wear or damage.
