

## Bearings & Power Transmission Suppliers

	<p>Cam followers, needle roller bearings, yoke rollers, track rollers &amp; guide rails, high quality custom made special bearings &amp; bushings</p>			<p>Roller bearings, EMQ ball bearings</p>
	<p>Anti-friction roller bearings including; spherical, cylindrical, tapered, ball and angular contact bearings</p>			<p>Fractional HP AC motors, DC Motors and PMDC motors, gearboxes, gear reducers, full selection of AC and DC parallel shaft gearmotors, right-angle gearmotors, and brushless DC gearmotors</p>
				<p>Industrial hand protection</p>
	<p>Casters, wheels, hand trucks, dollies</p>			<p>Idlers, pulleys, tensioners and associated products</p>
	<p>Lubrication equipment and associated products</p>			<p>Take-ups/belt tensioners, pulleys,</p>
	<p>O-rings, hydraulic seals, oil seals, v shaft seals, O-ring cord stock, vulcanized O-rings, industrial couplings, coupling accessories</p>			<p>V belts, cog belts, pulleys, sheaves</p>
	<p>Timing pulleys, bushings, bar stock, sprockets, spur gears, poly-v sheaves, timing belts</p>			<p>Standard needle bearing cam</p>
				
	<p>Ball &amp; roller bearings, cam followers, spherical plain bearings, mounted units, sprockets, sheaves, bushings and roller chain</p>			<p>keyless locking devices</p>
	<p>Universal joints, drive-shaft assemblies and couplings</p>			<p>Screw conveyors, bucket elevators, mixers &amp; blenders</p>
	<p>Standard and special black belt, light weight belting and plastic belting</p>			

## Bearings & Power Transmission Suppliers

	Industrial products, maintenance aerosols		Chains; roller, conveyor, heavy, leaf, etc.
	Linear (fast) shafting, linear (round) bearings, linear rail systems, cross/track rollers and ball screws and custom shafting		High quality hand tools and
	Radial shaft seals, spliced rings, extruded cord, fluid power seals, fitting & fastener seals, custom molded rubber, mechanical seals, O-rings, custom machined seals & gaskets		
			Bearings, bushings, chain, hose,
	Belting, keyless locking devices, composite pulleys & idlers		
	Rod ends and spherical plain bearings		Cam & roller followers, linear ball
			Powdered metal, bronze, steel backed, PTFE lined bearings self-lubricating TU bearings
	Retaining rings, keystone, machine keys, shaft collars, steel balls, spring washers		Lubricants, cleaners, degreasers,
	Global manufacturer of PT belts & drive components v- sheaves and synchronous sprockets		Cut & coupled hose, industrial & thermoplastic hose & skirtboard
	Roller chain couplings, coupling roller chains, ball bearing and bronze bushing idlers, torque limiters, replacement friction disk material		Silicone sealants, lubricants,
	Plastic modular belting, plastic chain, belting		Consumable MRO supplies and related products, vendor managed inventory (VMI) service program

## Bearings & Power Transmission Suppliers

	<p>Tapered, roller, radial, ball spherical, angular contact and needle roller bearings</p>		<p>Adhesives, sealants, chemicals,</p>
	<p>Coupling shafts, hangers, hanger bearings, seals and trough end plates, shafted, shaftless and vertical screw conveyors; screw feeders and live bottoms, bucket elevators, slide gates, chutes, mixers, blenders, drag and belt conveyors, hollow-flight processors, pressure vessels</p>		<p>Gear motors, speed reducers &amp; gearboxes, A/C motors, variable frequency drives</p>
	<p>Dow silicone, adhesive, insulating foam, and sealant products - common brands of products include DOWSIL, DOWFROST Glycol, and SILASTIC</p>		<p>Electric motors, shaft mount</p>
	<p>Stock and custom sprockets, gears, bushings, collars and other mechanical power transmission components for industrial applications</p>		<p>Radial ball bearings</p>
	<p>LUBRIPLATE brand, Fiske brand petroleum-based and synthetic/long-life based industrial lubricants, NSF/H1 registered food grade lubricants and Perma automatic lubricators</p>		<p>Abrasives &amp; brushes, hand &amp; out/tag out, paper products</p>
			<p>Heavy duty cam followers, rail driven, load runners</p>
	<p>Wide assortment of buckets and accessories for agricultural and industrial applications</p>		<p>Motor mounts, heavy duty bases &amp;</p>
	<p>Spill control products, sorbents, kits, granular, spill pools</p>		
	<p>Type "E" bearings, spherical roller bearings, mounted ball bearings, QD and taper lock bushings, weld-on-hubs, and shaft collars</p>		<p>Ball, radial, spherical, and tapered</p>
	<p>Complete line of bearings, including ball, sphericals, cylindricals, tapers and super precision bearings</p>		<p>Shims &amp; shim stock, keystock, hose clamps, lubricants</p>
			<p>Mounted bearings (ball, spherical chain, taper bushings, keyless</p>

## Bearings & Power Transmission Suppliers

	Build program for Radicon's European reducer products M, C, F and K sizes 1 through 10		Gear & elastomeric couplings,
	Hose reels		Photoelectric sensors, amplifiers, light curtains, and optical fork sensors
	Jaw & S-Flex couplings		Hydraulic adapters, fittings and
	Sprag & roller clutches, caliper disc brakes, couplings, torque limiters, keyless shaft devices		General purpose motors (totally enclosed fan cooled – NEMA premium efficiency: 1- 1000 HP) definite purpose motors (close-coupled pump motor: 1-75HP)
	Chain & belt tensioners, isolation components, suspension components, torsional motor bases		Sprockets, clutches, backstops,
	Ball and roller bearings: standard series and specialty radial, axial and combination, bearing reconditioning, rework – clearance and feature changes – and failure analysis		Conveyor bearings & wheels, ball transfers, rollers; unground bearings, Schatz & Freeway Bearings, USDI original UG series
	Roller chain, engineering class chain		
	Thin section bearings, slewing ring turntable bearings and custom modifications		Conveyor pulleys, shafting, rubber lagging, bearings, rollers, take-up frames and idlers
	Automatic single point lubricators, induction heaters, bearing installation and removal tools		Wide assortment of speed
	Environmental absorbents		Industrial cleaning products
	Power team products (high force hydraulic pumps, tools, cylinders, jacks and accessories), htec products (high force, hydraulic clamping systems) and bolting system products (hydraulic torque wrenches, tensioners and pumps)
